### *A Message from the Premier*

As Premier of the province of British Columbia, it is my pleasure to join with 1-800 RID-OF-IT Junk Removal and the Homestart Foundation in welcoming everyone to *Vancouver's Biggest House Warming*.

I understand that 1-800 RID-OF-IT and the Homestart Foundation will be picking up gently used items from homes in Vancouver and on the North Shore, and delivering the items to families in need. I commend you for your goal of furnishing three to five homes in a two day period.

Congratulations to both organizations for their dedication to helping those in need. As a result of the hard work and support of many dedicated organizers, volunteers and contributors, Vancouver's Biggest House Warming will provide families with a place they can truly call home.

Please accept my best wishes and I wish you every success.

Sincerely,

Gordon Campbell  
Premier
